Subject: [EXTERNAL] Unpaving of Middle Burnt Fork Road

I oppose the unpaving of Middle Burnt Fork road. The new development area of Drovers Trail will have 15 new owners using Middle Burnt Fork road to access their property. It will be important to provide year around access for these homeowners. Some of the homes in this development will be completed before the end of 2022. I suppose an unpaving of a road is a cost reduction measure but the road will still need maintenance and grading annually. Consider the offset costs of unpaving and then the gravel road maintenance and grading.
