**Subject:** [EXTERNAL] Commisioners Meeting 3/30/22 - Opposition To Unpaving Roads

Dear Commissions.

The Forestview Homeowners Association learned this evening (3/29/22) of the discussion at the Wednesday meeting to propose unpaving the roads of Forestview Estates, specifically Carlton Drive, N Barbara Lane, and Helen Court. Our Association is strongly opposed to this proposal. We would appreciate the opportunity to provide our input and reasons for our opposition. We would also appreciate the opportunity to examine the proposal and the rationale for removing paved roads from a densely populated subdivision.

A member of our board will be attending the commission meeting on 3/30. Please advise on how our representative might be added to the agenda for comment at the appropriate time. Thank you for your consideration.

Respectfully,

Rev. David Blackwell

Secretary

Forestview Homeowners' Association
