To whom it may concern,

My name is David Holcomb and I live in Florence at 5749 Meadow Vista Drive. It is Mt understanding that you are proposing to turn our paved road into an unpaved road. I as an homeowner who pays my taxes, I am in total disagreement about this matter. I have in my possession a copy of a recorded agreement of the county paving Meadow Vista Drive for the homeowners. These same homeowners payed for this road improvement which included paving the entire Meadow Vista Tracts. You may look this up yourselves as it was recorded February 20th, 1978. It was signed by all homeowners and by three Ravalli County Commissioners. The road improvement was paid for entirely by the homeowners, and was agreed upon to be maintained by the county. There is no end date to this agreement. While I may have not been there for the original purchase of the road improvement, I did purchase my home with the knowledge that I have a contractually county maintained road that I paid for with the purchase of my home. Please do your part, and keep Meadow Vista Drive paved and not "unpave" our road.
