Ravalli County Commissioners,

Gentlemen,

It's time we took control of our elections. We've been too complacent for way too long and now we are paying the price.

We must:

1. Demand Election Integrity. Absolutely no compromise!
2. Count ballots BEFORE the box is sealed. Trust in the machines is definitely suspect.
3. Have a fail safe checks and balance system. What ever it takes to make sure the votes are counted correctly not only the country level but at the state level as well.
4. institute a down ballot audit (i.e. commissioners, school boards, sheriff, etc.).
5. Pass no additional cost to the tax payer; volunteers trained can handle it.

Last, and most important, these are our elections! We are electing individuals to represent us. And, at the end of the day, we the people have every right to ensure the integrity of the election and the integrity of the representatives elected.

Thank you

Von Dailey
