Subject: [EXTERNAL] Secure voting in Ravalli

Dear Commissioner Jeff Burrows,

As a concerned Ravalli County Resident, I ask that you demand for an audit of the 2020 General Election in Ravalli County. I am concerned of the rumors of election fraud being committed during the 2020 General Election in Ravalli County, the State of Montana and the nation...as a whole. This is deeply troublesome as we move closer to the 2022 Mid Term Election. It disturbs me to think that the "most secure election in U.S. history" may have been manipulated towards one party's advantage. No matter which party, ALL ELECTIONS need to be carried out in a safe, fair and secure manner. As of right now, sadly, several of our concerned citizens are contemplating not voting in our 2022 Mid Terms in lieu of not trusting our voting process and the people who run them.

Please help restore confidence to our voting system and to the Citizens of Ravalli County...Please Demand an Audit NOW!

Let's prove this was the most secure election in history...Because, Honest People Have Nothing To Hide.

Seth Buchanan,
Stevensville, MT
