Subject: [EXTERNAL] Election Integrity Now

Dear Ravalli County Commissioners,

We The People Demand Election Integrity in Ravalli County. This can be achieved by Not allowing/using Machines for voting! They've been overwhelmingly proven to be fallible in maintaining integrity in the process of accurately tabulation of our votes.

1 Day - 1 Vote - On Paper - In Person with photo ID - NO MAIL IN BALLOTS - Ballots must be hand counted with additional checks and balances during process. This should not generate any additional cost to the tax payer; volunteers trained to the process will handle it.

Please do your best to ensure these 2022 Elections are protected from those who find Integrity to be a byword.. These are our elections!

Sincerely,
Richard E. Fish Sr.
