Good day Mr. Burrows , I'm mailing you in regards to voter integrity in our country starting here in Ravalli county. We have the right to be heard !!! We The People Need our elections to be right and just and we are taking steps to see that they are , with that we want ballots to be hand counted before the boxes are sealed , additional check points , at no cost to the tax payer, these are our elections and our future . Also please let the Secretary of State know that we will be involved in our own spot checks to help insure our election integrity. Whats going on with Government right now is Bullshit and we will be involved to make changes and get back to our Constitution. Thanks. Duane Little. Little3oaks@yahoo.com
