**Subject:** [EXTERNAL] Reject unpaving roads in Florence

**Importance:** High

I am writing to oppose the suggested unpaving of roads in the north Ravalli County area (Florence).

- 1) The chemicals proposed to be used to reduce dust will seep into our well water.
- 2) Our home values will decrease being on a gravel vs. paved road.
- 3) Our taxes should be reduced since there will no longer be county services provided to us. By the way, Wickiup Drive was plowed ONCE this winter!

This process has not been very transparent to the residents living on these streets. Please reconsider this.
