**Subject:** [EXTERNAL] Ravalli County Resident Requesting Audit of 2020 General Election

Dear Commissioner Burrows,

As a Ravalli County resident, I am concerned about our county's election process and integrity during the 2020 General Election and now leading into the upcoming 2022 Mid-Term Election. Before the Mid-Term Election, it is vital that we confirm the 2020 General Election was fair and honest. As an immediate action, I ask that you demand for an audit of the 2020 General Election in Ravalli County as soon as possible. We have all seen the examples of the rampant amount of voter fraud committed throughout our country and we would be naive to believe that this fraud has not happened in our own state, along with our own county. In addition, for all elections moving forward, I ask that you strongly advocate for voter ID and all ballots to be hand counted with no machines involved to eliminate voter fraud as much as possible.

We need to have checks & balances at every stage of the election process to ensure a secure, fair and honest election. I will personally volunteer to be trained in this process to assist with the audit of the 2020 General Election as well as, the hand count of the upcoming Mid-Term Election.

One Day  
One Vote  
On Paper  
In Person  
Voter ID

Thank you for your time and attention to this matter.  
A very concerned Ravalli County Resident,

Jennifer Rosa  
Stevensville, MT
