Subject: [EXTERNAL] Fair Elections

Dear Ravalli County Commissioners,

Greetings! I hope this finds you well and ready for spring!

I am writing in respect to the discovery that there has been some questions regarding the integrity and fairness of our local and state elections in this area. There is some evidence available that I've seen from some qualified people or I would not be writing.

I would ask you to seriously take to heart the need to make sure our elections are sound and that there is no room for fraud. I would like to ask you to please make sure the ballots are hand counted before the box is sealed. Please consider some added checks and balances during the elections. Could you please try to use trained volunteers to help monitor the elections and also, could we have a down ballot audit?

Sincerely yours,
Gregory Ammondson
