**Subject:** Oppose Expanding Airport Ravalli County

T: Daniel M. Norderud, AICP, FAA and Ravalli County Commissioners,

I am writing to express my opposition to expanding the runway in Hamilton, MT. It will demand too much tax payer money that will benefit too few. It will decrease quality of living for the county by increasing air traffic. I vote no. I also ask that no decision should be made until the 90 day comment period on this information and the revised EA has expired, and a public hearing has been held!

Thank you,  
Jennifer Knell  
Corvallis, MT
