FOR IMMEDIATE RELEASE

### Bridge Construction to Begin South of Conner

CONNER – The Montana Department of Transportation (MDT) and L & J Construction are scheduled to begin work on a bridge on US Highway 93 (US 93) just south of Conner. Construction is expected to begin May 16 and is anticipated take approximately three months to complete depending on favorable weather conditions.

The project will address an emergent need for repairs to the bridge to ensure the structure remains safe for the traveling public. Project improvements will include bridge deck repairs and mill and fill.

During construction, travelers should expect single lane traffic with signals around the clock. Reduced speeds and a 9-foot width restriction will also be in place for the duration of the project.

Comments or questions about this project may be submitted online at <https://www.mdt.mt.gov/contact/comment-form.aspx>. Please note that comments are for project UPN 9995169000.

The public is also encouraged to contact Missoula District Public Relations Specialist Megan Redmond at (406) 396-1978 or Project Manager William Maart at (406) 240-2274 with questions or comments.

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.
