RE: Ravalli County Elections – Post-Election Audit Process

Dear Commissioners:

Thank you for copying me on your recent letter to Secretary of State Christi Jacobson regarding your proposal for a post-election audit process in Ravalli County.

I too am very concerned about our elections process and want to make sure we do all we can reasonably do to make sure all elections in Montana are fair, honest, and transparent. As you know, my office does not possess the authority or expertise in these matters. That said, I will be very interested in the final resolution of this matter as it could well become a model for other counties.

Thanks again for keeping me informed on this important issue.

Sincerely,

Troy Downing
