### Stevensville Safety Improvements – Weekly Update May 23 - 27, 2022

Good morning,

Active construction will occur throughout the entire Stevensville Safety Improvements project area this week, Monday through Friday, 7:00 a.m. to 6:00 p.m.

Schellinger Construction will be working on the Eastside Highway to finish roadbed preparation from Bell Crossing up to Higgins Lane and gravel will be placed along the shoulders.

Crews continue to work on the north side of the project, laying pipes and awaiting utilities. Once utilities are underway, they will begin building the road on the north side.

Please plan for delays and reduced speeds throughout the work zone. Montana Highway Patrol (MHP) is closely monitoring the project area for traffic violations and will administer tickets to keep travelers and our crews safe.

Traffic controls will be set up in multiple locations within the project area through the duration of this project. Please abide by the signs placed at the ends of driveways and all intersections and wait for the pilot car to travel in your routed direction. These signs are posted only within the pilot car setups on the project site.

Motorists are reminded to pay extra close attention when driving within work zones for our safety and yours.

Questions or looking for additional details? Please visit the Stevensville Safety Improvements webpage at: <https://www.mdt.mt.gov/pubinvolve/southstevi/>. You can also call the project hotline at 406-207-4484, operating Monday through Friday from 9 a.m. to 5 p.m., or email me at [amy@bigskypublicrelations.com](mailto:amy@bigskypublicrelations.com).

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.

Warm regards,  
Amy Aiello  
Big Sky Public Relations on behalf of the Montana Department of Transportation
