Subject: [EXTERNAL] Elections?

Respectfully:

This morning, as I was reading the Missoulian, I was concerned about the article, GOP Lawmakers, Activists go Local with push for Hand-Counted Ballots “

A three hour meeting? With a documented What? Expert? Are you kidding me, Really? The fact that YOU three, as OUR elected officials are willing to go down this rabbit hole? Do you all lack an courage?

What is this saying about OUR own elected election officials, about the many Ravalli country Volunteers that spend their time to work our elections? That they are Co conspirators?

Are you now complicit in the BIG LIE? Are you ALSO working to undermine OUR Democracy? Are you following the Boogiemans?

In Missoula, The Republican party did their own election recount, pushing by the same misguided crackpots that are pushing this crap, what did they find? The election was Honest and fair. What more PROOF do you all need?

So what is the Political Agenda with all this stupidity? To further divide this County, To further sew conflict and confusion? ALL BASED ON A LIE?

I once was a proud Republican, sorry, You all lost me years ago. I am an Independent. So what will you all do? It will be told by your actions, Your back bone. Your courage? Your Honesty and Common sense.

I am still wondering what you all did about the HUNDRED THOUSAND TAX PAYER DOLLARS, taken by your own Ravalli county treasure, It was YOUR job to monitor? Swept under the rug?
