The Ravalli County Board of Commissioners is pleased to announce that Jana Exner has accepted the Chief Financial Officer position for Ravalli County. Jana has worked at the County in the Finance Department since 1998 and brings a wealth of knowledge related to County financial functions. There will be a transition time with outgoing CFO, Klarryse Murphy, so by the time Klarryse officially retires, Jana will be able to handle all the requirements of the position. Please take the time to welcome Jana as the new Chief Financial Officer.
