Subject: [EXTERNAL] revisited barking at Bechtold

Gathered with other neighbors yesterday and we all agree.....

Once again we have the continual crying, squealing, barking sounds of a suffering "*puppy mill*" at the Bechtold property.

Seems the issue was not really resolved, just temporally suppressed. Some people have no respect for animals or neighbors!

Short of neighborhood vigilantly justice, do you have any **new** suggestions on how to resolve this five year ongoing disaster. Seem the Bechtolds do not take any of us seriously.

Awaiting your reply,

Askjel
