**Subject:** [EXTERNAL] Stevensville Safety Improvements Weekly Update | June 27 - July 1

Good morning,

The Montana Department of Transportation and Schellinger Construction are progressing on the Stevensville Safety Improvements project. Crews will work throughout the entire project area this week, Monday through Friday, 7:00 a.m. to 6:00 p.m.a

Crews continue laying gravel throughout the project–this process will be complete next week. Once they've completed this process, they will begin treating the gravel with a layer of mag\*. Topsoil will also be spread next week in preparation for paving to start after the 4<sup>th</sup> of July. Traffic controls will continue to be set up in multiple locations within the project area for the duration of this project. Please abide by the signs placed at the ends of driveways and all intersections and wait for the pilot car to travel in your routed direction. These signs are posted only within the pilot car setups on the project site.

\*What is mag, you might ask?

Mag is short for magnesium chloride. This chemical treatment is hygroscopic, meaning it pulls moisture from the air. When applied to a road, this process keeps it moist no matter what the weather may be. So, with this treatment, dust is controlled, and the road is kept in great condition for future work.

Please plan for delays and reduced speeds throughout the work zone. Montana Highway Patrol (MHP) continues to monitor the project area for traffic violations closely and will administer tickets to keep travelers and our crews safe. Motorists are reminded to pay extra close attention when driving within work zones for our safety and yours.

Questions or looking for additional details? Please visit the Stevensville Safety Improvements webpage at: <https://www.mdt.mt.gov/pubinvolve/southstevi/>. You can also call the project hotline at 406-207-4484, operating Monday through Friday from 9 a.m. to 5 p.m., or email me at [amy@bigskypublicrelations.com](mailto:amy@bigskypublicrelations.com).

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.

Warm regards,  
Amy Aiello
