Subject: [EXTERNAL] Victor Sewer Notice

Hello Chris,

The DNRC is requiring us to post the following notice as part of our grant application. We have to post it where we regularly notice our meetings which is the county calendar.

Can you please add this to the calendar?

Victor Water and Sewer District Public Comment and Review of Environmental

Review

The Victor Water and Sewer District will hold a public hearing on June 29, 2022 at 5:30 PM, Wastewater Treatment Building at Martinell, Lane, Victor, Montana for the purpose of obtaining comments regarding the environmental review record for the proposed Wastewater Collection and Treatment Improvement project that will rehabilitate Victor Crossing Lift Station, rehabilitation and improve wastewater treatment including potential sludge removal, lagoon cell lining, aeration equipment replacement, effluent disinfection and effluent management modifications of rapid infiltration and percolation cells and irrigation systems.

At the public hearing the proposed project will be explained, including the purpose and proposed area of the project, activities, budget, possible sources of funding, any costs that may result for local citizens as a result of the project, and a decision will be made on the environmental assessment. All interested persons will be given the opportunity to ask questions and express opinions regarding the proposed project and any environmental impacts.

Comments may be given orally at the meeting or submitted in writing before July 29, 2022 at 5:00 pm

Anyone wanting to review the environmental review record and project impacts or submit questions and comments should contact Aaron McConkey at Morrison-Maierle via email amcconkey@m-m.net or 406-542-8880. Copies of the draft environmental record is available at Victor Wastewater Treatment Office at Martinell Lane, Victor, MT and will also be available at the public meeting.
