Subject: [EXTERNAL] new open lands bond

I want to thank the county commission for its great work with our open lands bond., It has been such a tremendous success since it's inception that it is hard to imagine Ravalli County without it. I have never known anyone in our county who has ever said anything negative about it. In fact all of my friends and neighbors have given it rave reviews and want to see another one passed so that our commissioners can continue their great work. Thank you so much!
