Ravalli County Commissioners

--	--	--	--	--

Greetings -

This letter is written in support of the Right to Farm and Ranch Board request to place a measure on the November 2022 ballot renewing the Ravalli County Open Lands Board Program.

The Bitterroot Valley Chamber of Commerce Board of Directors (representing over 450 member businesses) recognizes the value of the Open Lands Program and feel placing this option before the voters to consider the renewing of the program to the original \$10 million level established in 2006 is important to our community.

We thank you for your time and consideration on this request.

Albert Mitchell, Director
Bitterroot Valley Chamber of Commerce
