RE: Dust Abatement Mailing List

Dear Mr. Campbell,

We received your request dated June 10, 2014 for the mailing list of the letters sent to households that have indicated interest in participating in the dust abatement program.

It has been our practice to not release this information since the County would be providing information that a private enterprise could gain an unfair business advantage.

If you desire to appeal this decision, we request that you contact the Ravalli County Commissioners to request the appeal procedure.

Please give me a call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Dusty McKern".
