Subject: [EXTERNAL] Elk Ridge Subdivisions

All, we are residents that live up Dry Gulch. We do not support the Elk Ridge subdivisions and believe that it will have irreversible damage to the area. The road infrastructure of both Dry Gulch and Eastside Hwy are not able to support that many houses. Furthermore, it is very alarming that they appear to believe that this has already been approved by the large amount of equipment currently working there. Enough is ENOUGH! Do what is right and why you were voted into office to start with.

Sincerely,
Riley and Brianne Tuyls
