**Subject:** [EXTERNAL] Stevensville Safety Improvements, August 5 Update

Good morning,

Schellinger Construction and the Montana Department of Transportation thank you for your patience as roadwork nears a close on the Eastside Highway.

Chip sealing is now complete. This coming week, crews are finishing signing and guardrail installation on the sides of the roadway. Traffic control will include flaggers and pilot cars to direct drivers. Please continue to travel slowly through the work zone and be cautious of signs, crews, and equipment in the work zone.

Please anticipate 5 – 10 minutes of delays when traveling through the area.

Final utility work, epoxy striping, and clean up are the remaining items on the project.

Questions or looking for additional details? Please visit the Stevensville Safety Improvements webpage at: <https://www.mdt.mt.gov/pubinvolve/southstevi/>. You can also call the project hotline at 406-207-4484, operating Monday through Friday from 9 a.m. to 5 p.m., or email Becca at [becca@bigskypublicrelations.com](mailto:becca@bigskypublicrelations.com).

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.

### **100 Deadliest Days: A Reminder to Stay Safe and Vigilant in Your Summer Travels**

For many Montanans, Memorial Day weekend kicks off the start of summer travel, culminating with Labor Day weekend. Unfortunately, these summer months can also be some of the deadliest on Montana's roads due to increased motor vehicle crashes.

This period is known nationally as the "100 Deadliest Days of Summer," and has historically represented an increase in crashes and crash fatalities on our roadways due to greater traffic volumes and clear travel conditions that lower drivers' guards.

Before you make plans to travel this summer, commit to safe, lawful behavior and remain vigilant in sharing Montana's roadways with all system users. Never operate a motor vehicle while impaired. If you're driving a vehicle, buckle up before you go and insist your

friends and family do the same. Using your seat belt is your best defense against serious injury or death in the event you're in a crash.

This is a Vision Zero Message from the Montana Department of Transportation. Learn more about the goal of Vision Zero here: <https://www.mdt.mt.gov/visionzero/>

Take care,  
Becca MacLean
