Hi Chris,  
I received this from a pleased citizen, should I give her the commissioners email?

We wanted to thank you for your informative analysis of our wooded acreage and your sound advice on managing that area. Your flyer, Prevent and Protect, was welcome and timely as our concerns about the risk of wildfires are stronger than ever. And it led us to request yesterday's risk analysis which was invaluable to us.

If you wouldn't mind, we'd like to get contact information for your supervisor so we can express our appreciation. We were unaware that your position with the county existed, let alone was filled by someone with your background and insights. Alternatively, please feel free to forward this email to him or her. They made a great choice in hiring you and we look forward to thanking them as well.

Stay safe,  
Dan & Linda Turner
