Subject: [EXTERNAL] Lolo to Florence, Open House Follow Up - October 21

Hello Bitterroot Valley friends and neighbors,

Thank you to the virtual and in-person open house attendees earlier this week. If you missed the events, please feel welcome to view the recording of the virtual open house [here](#).

The Lolo to Florence Corridor is a priority for the Montana Department of Transportation (MDT). The project team appreciates the comments, feedback and questions received at Tuesday's open house events.

All comments and concerns gathered through discussion and comment cards will be noted as part of the study findings. Public feedback is an integral step towards determining potential solutions.

MDT and Robert Peccia & Associates (RPA) will continue gathering and analyzing data of the US 93 corridor. A second public meeting will be scheduled in early 2023, where study findings and potential solutions will be presented to the public. In addition, stakeholder meetings will continue to be requested. Updates will be provided as the study progresses and as public meetings are scheduled.

Additional feedback or questions are welcomed throughout the duration of the study. With questions or feedback as the study progresses, please email becca@bigskypublicrelations.com.

Prefer to ask a question or submit feedback via phone? Call 406-207-4484.

To sign up for text updates, text LOLOFLO to 41411. Message and data rates may apply. Message frequency may vary. Text STOP to cancel. Texting alerts are not managed by MDT and may have different privacy and security policies. For more information, see: <https://smstc.us/t41411/>

Respectfully,
Becca MacLean
Communications Manager
Lolo to Florence Corridor Study Project on behalf of RPA and MDT
