Subject: [EXTERNAL] Road problems

Good Morning Commissioners

We live at 721 Lund Drive. The road coming to the place is really getting bad. It is located off 8 mile and Fairview. It is a gravel road that is getting so much use now with new houses being built. My husband is in a wheelchair and gets bounced around so much in the vehicle it is starting to cause problems. The road is located in both Ravalli and Missoula counties so I will have to send this issue to both. We would appreciate it very much to have this road looked at. Would love to see it paved with all the traffic were getting now, but even rolled out to get all the bumps and holes fixed would be a help.

Sincerely
Mary Ann and Don Hansen
