

Thank you for your time and effort as county commissioners to make the Ravalli County Fair a success. Thank you for working to improve the animal barns at the fairgrounds. I am impressed on the new speakers and light for the horning arena. I'm sure that the improvements on the barns will make everything run even more smoothly in the future.

I had a very enjoyable time at fair this year. I got reserve champion in junior sheep showman and did well on my poultry projects. I love being in 4H and doing the fair.

Thank you again
