Dear Mr. Norderud,

I live at 6330 West Fork Road, Darby, MT 59829.

I am opposed to the proposed redesign and expansion of the Ravalli County Airport for the following reasons:

1. Cost – the FAA will pay only 90%, estimated at \$7 million leaving the county with the remaining 10%.
2. Environmental – expansion will cause pollution as well as change the character and ambience of our rural, quiet town and have negative impact on human life, plant life and wildlife.
3. Liability – County will be liable for diminution of property values due to noise, pollution, zoning restrictions.
4. Private Property Purchase – necessity to purchase private property for runway expansion.
5. Justification – number of landing and take-offs has decreased over the last 10 years from about 500 annually to 390. Why do we need an expansion?
6. County Tax Increases – due to all of the above.
7. No public vote on the expansion.

Thank you,  
Jane Allred
