Subject: [EXTERNAL] Bitterroot river usage

I am hearing rumblings of motorized use being expanded on the river. As a 28-year resident of Western Montana, and a successful business owner that employees several Bitterrooters, I am strongly against this. Our time on the river is special to us and has been useful in recruiting to our company. That peaceful resource is precious and I hope you work to preserve it. Thank you_Steve Falen, Missoula.
