Subject: [EXTERNAL] Hovercraft on the Bitterroot River

Attention: Jeff Burrows ~

Hello from Klements Lane! I'm writing regarding the possibility of approving hovercraft use on the Bitterroot. What are you thinking? NO NO NO

The Bitterroot River is a destination in our state. We have peace and quiet, we have wildlife, we have fish, we have river-front property. I can imagine there are five people total who own hovercraft, and by them accessing the river and running up and down it, the activity will ruin it for everyone but those five. Please don't approve. Keep our river as pristine as possible. The state and county will gain much more use profit if you don't allow the hovercraft activity. Thank you!
