

COUNTY OF RAVALLI

March 14, 2023

To Whom It May Concern:

On March 13, 2023 Corvallis (Montana) FFA presented the Ravalli County Commissioners with a presentation/skit on the topic of Horse Slaughtering within the United States, and the SAFE Act. It was our distinct pleasure hosting the five students along with their teacher, Neela Andres.

We are writing this letter to commend them individually and as a team, as they were each very professional, as well as personable and organized. They each portrayed a different character, and voiced the opinions and feelings of each character very nicely. It was thought provoking yet enjoyable.

If you have specific questions, please feel free to contact us.

Sincerely,

RAVALLI COUNTY COMMISSIONERS

Dan Huls, Chairman

Greg Chilcott, Member
