Proposed resurfacing north of Corvallis on S 269

CORVALLIS, Mont. - The Montana Department of Transportation (MDT) would like to announce and invite the public to comment on a proposal to resurface about 7 miles of Secondary Highway 269 (S 269), commonly known as Eastside Highway, north of Corvallis. The project begins about 1 mile south of the intersection with Woodside Cutoff Road, and extends north, ending about 1 mile south of the intersection with Victor Crossing East.

Proposed work includes resurfacing the southern 4 miles of the project area, followed by a seal and cover (chip seal), fog seal, minor sidewalk work to meet ADA compliance, and upgraded signage, delineation, pavement markings, guardrail, and centerline rumble strips. The purpose of the project is to prolong, preserve, and improve the ride of the existing pavement and enhance safety features.

The project is tentatively scheduled for construction in 2024, depending on completion of all project development activities and availability of funding. No new right-of-way or utility relocations will be needed.

An important part of properly planning for future projects is partnering with the community. The Montana Department of Transportation welcomes the public to provide ideas and comments on the proposed project. Comments may be submitted online at <http://www.mdt.mt.gov/contact/comment-form.aspx> or in writing to Montana Department of Transportation, Missoula office, PO Box 7039, Missoula, MT 59807-7039. Please note that comments are for project UPN 10236000.

The public is encouraged to contact acting Missoula District Preconstruction Engineer Joel Boucher at 406-544-5802 or Project Design Engineer Joshua Dold at 406-444-6385 with questions or comments about the project.

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Montana Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.
