Subject: Ravalli County Airport

Dear Sirs and Madams:

I am opposed to the airport expansion as proposed as are the vast majority of citizens Ravalli County. We had a plan to make the airport safer, NOT bigger and the current commissioners scrapped that plan, revoked our right to vote on the issue and are proposing to spend \$7 million of our dollars.

We voted these commissioners out. They will leave office in January. They each had perhaps 400 votes. In other words, the decisions that they have made, especially this unilateral decision about our airport are NOT supported by the people.

Please do not go forward with this.

Thank you.
