### Areas Open Temporarily For Firewood Cutting

**Hamilton, MT, June 15** — The Bitterroot National Forest will temporarily open several roads this summer for the public to access personal use firewood. To learn more about each area and view maps of the locations, visit our website, call, or stop by any Forest Service office.

The 2023 firewood cutting areas are:

- Forest Road 73365 (Com Site Road) – Darby/Sula Ranger District
  - Forest Road 5785 (Jennings Camp) – Darby/Sula Ranger District
  - Forest Road 5685 \*(Thunder Mountain) – West Fork Ranger District
  - Forest Road 13417 \*(Devil Creek) – West Fork Ranger District
  - Forest Road 13824 \*(Piquett Creek) – West Fork Ranger District
- (\*Thunder Mtn, Devil Creek, and Piquett Creek roads will close early on Friday, August 26<sup>th</sup>)*

The forest will open these designated areas in an effort to provide more accessible firewood beginning today, Thursday June 15<sup>th</sup>. The areas are scheduled to remain open until Friday, October 15<sup>th</sup> or sooner depending on fire conditions and restrictions.

Woodcutters are reminded of the requirements to have a spark arrester on their chainsaws and to carry a shovel, bucket, and fire extinguisher at all times. Please use wide shoulders and turnouts for parking. Not all roads have turn-arounds for trailers.

As with wood cutting elsewhere on the forest, no trees are to be felled onto the roadway and all slash must be piled. Firewood gathering is prohibited in all developed recreation areas, campgrounds, and within 150 feet of streams, creeks, and waterways. Law enforcement will be monitoring the roads. Forest officials advise woodcutters to drive defensively and notify them of any downed trees or road damage.

You can obtain a firewood permit by visiting or calling any Bitterroot National Forest office, Monday - Friday, 8:00 a.m. – 4:30 p.m. The permits are free and allow for up to 12 cords of firewood for your personal use. Your hard-copy permit is good through December 31, 2023.

Firewood maps are available at Forest Service offices or can be downloaded at:

[www.fs.usda.gov/main/bitterroot/passes-permits/forestproducts](http://www.fs.usda.gov/main/bitterroot/passes-permits/forestproducts)

Remember, you can help continue the success of this program by removing firewood debris from road surfaces and ditches and by respecting other forest users and natural resources. Thank you for your responsible use of our National Forest System lands.
