RE: Special Ravalli County Commission Meeting and Public Forum on election integrity

Dear County Commissioners, Ms. Plettenberg & Sheriff Holton,

We read with dismay about last week's meeting at the Fairgrounds. It was very disheartening to hear the accusations of election fraud and conspiracy theories directed at our local county officials. We want you to know that we have talked to many of our friends recently about this meeting and none of them has expressed any support for these outlandish accusations or the behavior of many of the attendees.

We know that a strident vocal minority can consume a lot of the narrative in a heated discussion. But that minority does not have the right to overwhelm the process or falsely accuse county officials who are following the laws and performing their duties with integrity.

We want to thank you for serving as our elected officials.

Yours,

Gail H. Goheen

Stephen S. Goheen
