Joan Redeen, Executive Assistant - Communications 406-396-1978, jredeen@mt.gov

Crack sealing begins on shared-use path alongside US 93

STEVENSVILLE, Mont. - The Montana Department of Transportation (MDT), along with construction partner Z & Z Asphalt Inc., will begin crack sealing on the shared-use path that runs alongside US Highway 93 (US 93). The project area begins at the Stevensville Junction and continues for approximately 16 miles to Lolo Creek Bridge. The work is scheduled to begin July 31, weather permitting.

The purpose of crack sealing is to extend the life of the pathway.

Work is anticipated to take approximately two days to complete and will take place from 7 a.m. to 8 p.m.

Pedestrians and bicyclists are encouraged to find an alternate route while work is being performed.

The public is encouraged to contact Joan Redeen at 406-396-1978 with any questions or comments.

About MDT:
We are **B.U.I.L.D.E.R.S.** At MDT, our mission is to plan, build, operate, and maintain a safe and resilient transportation infrastructure to move Montana forward by setting the gold standard for a highly effective, innovative, and people-centric department of transportation. For more information about MDT and the work we do on behalf of Montana's traveling public, visit https://www.mdt.mt.gov/

Alternative accessible formats of this document will be provided on request. Persons who need an alternative format should contact the Office of Civil Rights, Montana Department of Transportation, 2701 Prospect Avenue, PO Box 201001, Helena, MT 59620. Telephone 406-444-5416 or Montana Relay Service at 711.
