Subject: Ravalli airport extension

As a Hamilton resident I am very opposed to the proposed extension of airport runway. The cozens of Ravalli County should be allowed to vote on this extension, not have it pushed through by current Lame Duck commissioners. It has the potential to increase our taxes by a huge degree just to give a "few" well-heeled visitors the ability to fly their corporate jets. This is a decisions that deserves a VOTE by all citizens of Ravalli County.
