Ravali County Commissioners
215 S. 4th Street Suite A
Hamilton, Mt 59840

To Whom it may concern,

I oppose the upcoming decision of our County Commissioners to redesign a larger airport in Hamilton, Montana. I do not want a longer runway that could accommodate larger jets or any more airplanes, turboprops or jets flying into Hamilton than we now have. I feel it would be a huge detriment to our community both in environmental noise and pollutants.

Sincerely,

Janet E Shupp
