'Writing Montana' workshop to be held at Pictograph Cave State Park

Local writer Dave Caserio to lead workshop September 23

BILLINGS - Dave Caserio, local writer and educator, is leading a writing workshop at Pictograph Cave State Park on Saturday, September 23.

Participants will use observations of the natural world and explorations of the historical, cultural and geological background of the area to create works in any genre of writing. The outdoor workshop will include a brief tour of Pictograph Cave State Park, discussion of the writing process, independent exploration and writing time and opportunity to share and discuss pieces.

Caserio has authored multiple books of poetry and has contributed to a variety of anthologies. He works locally in Billings and across the region with community outreach organizations to lead workshops.

The workshop will run from 10 a.m. to 12:30 p.m. Space is limited. To reserve your space, contact Pictograph Cave State Park at 406-254-7342.
