Subject: [EXTERNAL] Lolo Plan Revision December Update

Greetings!

I'm sending a short note to remind you that we have one public engagement opportunity for the Lolo Plan Revision process in December – an online Office Hours session on 12/18, as shown in the table below. You can find engagement information, as well as a wealth of other information, posted on the [Web Hub](#). The team continues to work on compiling the proposed action, and we remain on track to release that for public comment early in 2024. You can expect robust engagement opportunities as we near the proposed action release and during the comment period.

I hope this note finds you well and enjoying all the season has to offer. I plan on reaching out again later this month to give you the latest information before the New Year!

With gratitude,

Amanda Milburn, Revision Team Leader
