

RE: Airport

Phone calls to BCC 7-1-14

Rose Van Appen of Weber Dr
375-0817

states this expansion is crazy.

She objects to the sudden need
to oppose what is existing now.

She is under the landing pattern -
+ the expansion will impact

the value of her property plus
she is concerned about accidents.

More planes = more noise + it
will ruin the valley.

Use our tax dollars wisely -
+ give the review more time.
