Greetings!

I Am writing to voice my strong opposition to the proposed Ravalli Airport project. This is a poorly planned project with many facets which have not been adequately addressed. To continue with this project will open the tax payers to the possibility of lawsuits by those property owners, impacted by the expansion.

Sincerely
James Youso

Gentlemen:

I am writing to voice my strong
opposition to the proposed Ruffin
Project. I am a local business owner
and I am deeply concerned about the
impact of this project on the local
community. To continue with this project
will open the tax books to the possibility
of lawsuits by those property owners
affected by the expansion.

Sincerely,
James Jones
