To Daniel Norderud and Ravalli County Commissioners,

I read that the airport comment period was extended to July 25, 2014. I am sending this email to have my voice heard that I adamantly oppose expansion of the Ravalli County Airport. As a home owner in Corvallis the airport is practically in my backyard and there is already too much noise along with concerns over pollution and the impact it has on our health and fields. Please let me know if further information is needed. Thanks for your time, Helene
