RE: Compliance Check – Sales to Minors

Dear Ms. Sherman;

On June 18, 2014, the Ravalli County DUI Task Force in conjunction with the Ravalli County Sheriff's Office and the Underage Alcohol Enforcement Team conducted Alcohol Compliance Checks in Ravalli County.

We are glad to report Town Pump at Woodside did not sell alcohol to an underage person. We encourage your employees to continue checking identification at each sale of alcohol. Please feel free to contact the Ravalli County DUI Task Force for employee refresher courses and new employee training with our certified RASS Trainer, Charmell Owens (Responsible Alcohol Sales and Service).

Thank you again for your management and employee diligence to follow the law for sales and service to underage persons.

Sincerely,
