Ravalli County Commissioners

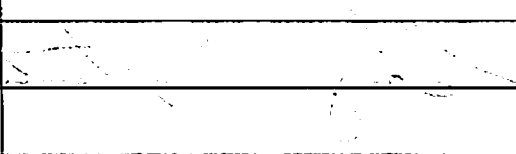

Dear Sirs

I am a Ravalli County Tax Payer & Full Time Resident (628 Wise's way, Corvallis, Mont). I oppose The expansion, Due we really need TO COMPETE WITH Missoula air port & try to appease The Chosen Few who will use & benefit by This expansion I moved here (2008) to get away From Big City, Big County, noise, expansion & moneyed Folks who ches. No matter what anyone says (Such as no cost to Tax payer) This is Federal money (our Tax dollar collected From us) so yes we are paying out so Chosen moneyed Few can get Their way. I use Missoula air port For Travel & I see helicopters are used For medical cases. IF we really want TO do something For a larger amount of County residents how about a mixed-use Play area at Fairground or something in That order

at present we are trying
to put aside land for
The next generation &
Living it Natural & so
what do you want a
high class resort here or
a good old home town?

My English

Handwritten notes in a table with a vertical line on the left. The text is very faint and mostly illegible, but appears to be organized into rows and columns. Some words like "Tuned" and "with" are partially visible.
