Subject: Ravalli County Airport Expansion

Dear Mr. Norderud:

The current plan to lengthen the runway of the Ravalli County Airport in Hamilton, Montana is the wrong plan:

1. It is completely inappropriate for the community.
2. It was not approved by the community.
3. The community did approve a previous plan which was ignored by the County Commissioners.
4. In fact, the County Commissioners unilaterally revoked the county residents' right to vote on the airport expansion.
5. If the current plan is approved by the FAA, it will result in a costly legal battle, helping no one.

Thank you for your consideration.
