Ravalli County Road & Bridge
244 Fairgrounds Road
Hamilton, MT 59840

Dear Sirs:

We were going to write a letter to the editor regarding our frustrations, but decided to write you first to see if you can answer our questions.

1. Pot holes on Harvey Lane...never been filled.
2. Line markers throughout most of the county worn off and not re-painted.
3. Grass/weeds along the roadways so high – small cars have to creep out in traffic and hope they don't get run in to.

This is the worst road maintenance we've ever seen and we've lived here forever....if there's an explanation – we'd surely like to hear it.

Please call us at 961-3073 or e-mail: grandpa59828@q.com.

Sincerely,

Reg + Mavis Wilson

G. S. We are not in favor of the airport expansion – put the issue on the Nov. ballot + let the people decide.
