Subject: Letter of opposition to expansion of Ravalli County airport

I am opposed to the expansion of the Ravalli County airport and the zoning changes that will be required at an additional cost to tax payers, not the users of the extended run way. Ravalli County Commissioners recently opposed new zoning and yet are now accepting this zoning. The landowner wants to sell his land at a premium price while the Commissioners have offered much less. The tax payers will have to pay once again for something we are opposed to and for something we will likely never use. This is not democracy; this is social injustice. This appears to be another example of Ravalli County commissioners acting on behalf of the wealthy few and ignoring the opposition by the many.
