Mr. Norderud, I am writing in support of the Ravalli County airport upgrade. Safety is of the utmost importance for all of us living in the beautiful Bitterroot valley. With this expansion, and the necessary improvements, our airport will become safer for all and still remain a small area airport. The new flight patterns will move the air traffic away from Hamilton High School and the downtown area, thus making our small town and community safer. Commissioners, please listen to the majority of the citizens of Ravalli County and not the few vocal uninformed goofs at ICCARE.

Thank You,
